(unless directed otherwise by your veterinarian)

We feed a high quality AAFCO certified food for all feline and canine boarders unless food is provided by you. Any diets that are prescribed to Pixie, that are opened during their stay, will be applied to your account. **NEW!** Our new washer does not allow us to hold heavy bedding. Any soiled bedding that is too heavy may be thrown away (or kept per request). Thank you for your understanding.

For non emergent issues, such as external and internal parasites (fleas, ticks, worms), diarrhea, and mild respiratory infections, ear infections etc, **we will treat during their stay.** If indicated, we may test for fecal parasites in order to allow us to choose appropriate dewormer or medication. Fees for medications that need to be filled or refilled during the time your pet is boarding will be added to your account. Medication administering fees apply.

We do not routinely call or email for minor issues as listed above, in order to not disrupt your vacation. If your pet is scheduled to have an examination done while they are staying with us, we will email you to follow up. In the event of an emergency, we will contact you immediately.

If you would prefer to be notified for any non-emergent health concerns, please check here

Statement of Kennel Policy:

1. We board pets for our clients only. We charge board by the number of days the pet is here and the boarding location of the pet. Pick up is before 11am or another day will be charged.
2. We pledge to honor client requests for specific boarding location. However, we reserve the right to house boarded pets in an alternate boarding location if we deem this to be in the best interest of the pet (medical or for other reasons at our discretion).
3. Pets may be dropped off or picked up between 8:00 am and 5:00 pm Monday - Friday and 8:00 am and 12:00 pm on Saturday. Sunday pick up times are between 8:30 am and 9:30 am as well as 4:30 pm and 5:30 pm. We do not discharge pets on major holidays.
4. Personal items may be left at your own risk. We cannot be responsible for loss or damage.
5. If a pet, which is presented for boarding, exhibits internal parasites (i.e. worms) or external parasites (i.e. fleas and/or ticks) appropriate treatment will provided at the owners expense.
6. Southborough Veterinary Hospital cannot guarantee the health of any animal, but pledges to give appropriate care to all boarding pets. I hold this facility harmless for conditions that are often unavoidable in boarding environments, including but not limited to kennel cough, upper respiratory infection, and diarrhea.
7. Should the pet identified on this record become ill, I request that Southborough Veterinary Hospital provide all medical/surgical treatment it deems necessary. I acknowledge that, in the event of my pet's illness, the staff at this veterinary facility may not be able to contact me immediately and therefore authorized to initiate appropriate treatment until I (or the pet's agent) can be reached. I agree to pay all related expenses associated with the treatment of my pet until I am available to discuss further care and fees with the attending veterinarian.

I agree to make complete payment to Southborough Veterinary Hospital at the time of discharge. I certify that my pet appears to be free of contagious disease and has not bitten anyone within the past ten days. I understand that if I fail to pick-up my pet within ten days of notification to the above address, my pet will be considered abandoned and will be handled in accordance with Massachusetts state law, and that doing so will not relieve me of my financial obligations.

I have read the above and I am in full agreement.
